PROGRAM INFORMATION

MISSION

To provide a child-centered, individualized, developmentally appropriate program for preschool children that inspires a lifelong love of exploration, thought, and learning.

PHILOSOPHY AND GOALS

YALE Preschool is dedicated to providing a quality child development program that supports the development and learning of each child. Our goal is to provide a warm, safe and secure environment to promote the healthy growth of every child. We offer enriching and fulfilling experiences to build a strong foundation of readiness skills for positive self-image and future learning.

STAFF

The program is administered centrally by a program director and coordinator. Each class has a fully certified preschool teacher (Early Childhood Group Leader) and an appropriate number of Early Childhood Assistants to meet the adult/child ratio of 1:12 required by state guidelines. YALE preschool staff are selected on the basis of their educational background, teaching experience, and personal qualities. Every member of our staff is CPR/AED and First Aid Certified. All YALE preschool staff participate in continuous staff development and studies for professional advancement. In addition, regularly scheduled staff meetings are held.

LICENSED PROGRAM

YALE Preschools is guided by regulations and laws set by the state of California. In California, licensing of child care businesses is handled through the Child Care Licensing Division (CCLD) of the Department of Social Services (DSS). As the state has the authority to inspect our operation, an analyst may visit our site routinely to check in. Additionally, an analyst will visit us in response to any reported concerns. These inspections may be unannounced and may include interviews of staff, students and parents. As you fill out your enrollment packet you will notice licensing forms. These forms are mandated and may require annual updating.

Parents will be required to sign permission slips, and only children who have a signed, unaltered form will be allowed to participate in the scheduled field trip/assembly. Additionally, if a field trip is on your child's school day and you choose not to participate, there are no stay back options. PROCEDURES

ENROLLMENT ELIGIBILITY

The program is designed for children between the ages of 3 and 5. Children may be 2 yrs. 9 mo. on or before the start of school as long as the child is fully toilet trained. This is defined as wearing underwear (pull-ups are not allowed), using the toilet independently, and not having accidents that occur more than half of the scheduled attendance per week. Consistent accidents may result in termination if it is determined that student is not fully toilet trained.

Enrollment applications are processed in the order in which they are received with priority given to district employees, siblings of children currently enrolled in the program, and annual enrollments. There is no discrimination on the basis of race, sex, national origin, or physical or mental disability.

Santee School District welcomes children with disabilities into the YALE Preschool program. This is in accordance with the American Disabilities Act.

Children attending YALE Preschool must be able to function in a setting of one (1) adult to twelve (12) children. YALE Preschool will make reasonable modifications to our policies and practices in an effort to integrate children and parents with disabilities. An individualized assessment will take place to determine if the YALE Preschool program can meet the needs of your child. We ask that parents help us by giving us any information that would help us arrange a positive experience for you and your child while attending YALE Preschool. Please speak to the Director or Coordinator in order to determine if YALE Preschool will be the best environment for your child.

When classes have been filled, a waiting list will be developed and prioritized by district employees, siblings of currently enrolled students, and date application is received.

REGISTRATION

Parents must complete registration requirements before a child can be considered eligible for enrollment. All parents are required to complete the online registration and upload the following enrollment documentation before children may begin the YALE Preschool Program:

1. Consent for Medical Treatment & Field Trip Permission
2. Child's Preadmission Health History-Parent's Report
3. Notification of Personal Rights
4. Notification of Parent's Rights
5. Physician's Report (if not available, due within 2 weeks of enrollment)
6. Verification of birth, with birth certificate, baptismal certificate, or affidavit
7. Record of immunizations (must be up to date)

PROCEDURES CONTINUED

CHILDREN'S RECORDS

All records must be accurate and up to date. Please inform the YALE staff of any changes or special conditions regarding phone numbers, address, custody arrangements, emergency numbers, babysitters, health conditions, or legal actions (i.e., restraining orders), etc. Copies of legal documents affecting custody and visitation must be provided.

FAMILY CONFIDENTIALITY

All family records and information are confidential and are kept in a secure location. The YALE staff maintains a policy of confidentiality in all discussions regarding children.

SIGN IN/SIGN OUT SHEETS

For safety purposes, licensing requires that all children must be brought into the classroom by a Parent/Guardian or Authorized Adult and must be signed in and out DAILY with a **full signature**. No one under the age of 18 will be allowed to sign in or out. If students are not signed in, parents will be contacted and asked to return to the school for a signature.

SIGNING IN

- **An authorized adult must sign each child in and out daily.** Signing in includes full signature, and time of transaction. This is our legal record of time your child is in our care. We cannot accept responsibility for students dropped off at the site who have not been signed in. Please note: you may not sign your child(ren) in before 6:30 am.
- **YALE Preschool employees may not sign children in or out for parents. The only exception is for TK/EAK students or students receiving speech services. Staff will sign children out when they go to school/speech and in when they return from school/speech.**

SIGNING OUT

- **Only adults or their designee listed on a child's enrollment form will be allowed to sign children out.**
- There must be a **written note** from the parent if a person not listed on the locator card is to sign a child out. That person must have a **picture I.D.** when picking the child up.
- **A valid picture I.D. may be required at any time.** Please have patience when an employee checks for I.D.; it is required anytime the employee does not recognize an adult. **This is for your child's protection. Please inform the person picking your child up that they must provide proper I.D. (with picture), and a note from you releasing your child in their care if they are not listed on the locator card.**

FEES

A comprehensive fee schedule is available online. Print outs available by request.

- **Non-refundable registration fee:** see the fee schedule for specifics.
- **Monthly Rates:** Program fees are listed as weekly but billed monthly and are dependent on the program for which you are enrolled.
- **Refund Policy:** If an account has a credit balance at the time of withdrawal from the program, a refund will be issued within 60 days.
- **Rate Change:** A 30 day advance written notice will be given for any rate increases.
- **Fees are Payable:** on the 15th of every month. A \$30 late fee will be added to invoices not paid by the 20th of the month.

RETURNED CHECKS

Any check that does not go through for payment will be considered a returned check. Checks may not go through for a variety of reasons including not sufficient funds, closed accounts, or invalid account or routing numbers on an E-Check.

If this happens, you will receive notice that your check was not processed. Your bill will be charged a \$25.00 returned check fee. Any check that does not go through for payment must be paid within five (5) business days at the office with a money order, cashier's check or credit card. Termination from YALE Preschool may result until the total amount is paid in full.

Upon the **second occurrence** of a returned check, all fees **must** be paid only with a **money order, cashier's check, or credit card for the tenure of your child's attendance in YALE Preschool.**

Termination will result due to non-payment of returned checks and your account will be submitted for collection.

WITHDRAWAL

YALE preschool requires a **two-week notice** when withdrawing your child from the program to the Billing Department (**not the center staff**). **You must notify the Billing Department through your EZ ChildTrack account by clicking the "Contact Us" button in the upper right hand corner of your account.** We do not allow partial weeks, so the two weeks must include two full weeks (Monday - Friday). Failure to give a two-week notice will result in a charge equivalent to two-week's fee in lieu of notice. This only applies to programs when school is in session, not to break care or the summer program. Summer cancellation policies are [click here](#).

RE-ENROLLMENT

Re-enrollment in the program after any absence of two (2) weeks or more will be allowed only if all past due balances have been paid in full including a \$10.00 re-enrollment fee and if there is space in the program. If you have been dropped for non-payment of fees, the fee is \$30.00 for re-enrollment.

PROCEDURES CONTINUED

FEE SUBSIDIES

YALE Preschool currently contracts with local Alternative Payment (AP) agencies. These agencies may pay all or part of your child's YALE Preschool fees. You must contact these agencies directly to determine if you are eligible for assistance. The AP agencies are:

YMCA-Childcare Resource Service www.childcaresandiego.com	1-800-481-2151 or 619-521-3055 ext. 2500
Child Development Associates www.cdasantiego.com	619-427-4411 ext. 1410

If you do qualify for assistance, it is your responsibility to complete all needed paperwork in a timely manner. You will be asked to complete an agreement form that outlines what we expect from you regarding your subsidy. Failure to fulfill the terms of both YALE Preschool policies and/or the AP contract may result in termination from the program. Additionally, you may be held liable for any fees owed to YALE Preschool due to negligence on your part. This includes paperwork that may be needed after your child has left the program. You may also be responsible for tuition fees that are not fully paid for by the AP agency.

NOTE: AP agencies may or may not pay for registration fees, late pick-up fees, or field trips. Please contact your AP agency to determine which additional fees they will pay. Parents will be responsible for fees incurred which are not covered by the AP agency.

LATE PICK-UP POLICY

Please notify your YALE Preschool site if you know you will be late picking up your child.

Note: Notifying the site of your tardiness does not excuse you from a late pick-up charge.

If you are late picking up your child, this will incur a late pick up fee of \$1 per minute for the first 15 minutes and \$2 per minute for each minute after 15 minutes. In addition, to the late fee, parents picking up their child(ren) past closing time three times in a 12-week period may lose the privilege of having their child(ren) in the program. All parents picking children up after program hours are required to sign the late charge slip.

If you are more than 15 minutes late and we are unable to reach you, the following steps will be taken:

1. We will call your alternate contact number.
2. We will call your emergency phone number(s).
3. If a parent is more than 30 minutes late and cannot be reached, staff will call the police and have the child(ren) transported to the appropriate Child Custody Facility.

Please Note: Staff are not permitted to transport children.

PROCEDURES CONTINUED

PROGRAM OPERATING DATES AND CLOSURES

For all programs, please refer to the YALE Parent Calendar on our website [click here](#) for information regarding operating dates and closures.

YALE Full-Time program follows the Santee School District calendar inclusive of school breaks. School break programs may be at a different YALE facility than your home site.

All program closures will be posted. Parents are responsible for making appropriate alternative child care arrangements for these days.

A variety of optional services may be available. See website for more information.

School Breaks (Thanksgiving, Winter, Spring) are included in the full-time calendar. This means full-time students are billed for all breaks regardless of attendance. Separate sign-ups are required for break care to plan for staffing and must be done by the deadline.

PROCEDURES CONTINUED

CLOTHING

Dress your child in play clothes that are washable, comfortable and appropriate for physical play. Children need to easily get in and out of their clothing for toileting. Paint sometimes gets on clothing even though paint aprons are always worn. We prefer that children wear closed toe shoes. Sandals may be worn if they have backs on them. In addition, we ask that you do not send your child in boots. We have found that children have a difficult time playing safely in them.

Please label sweaters, jackets, hats and other personal items with the student's name for identification purposes.

TOYS

Please leave toys and other personal items at home. Children should not bring toys to the program except on "Sharing" days or when otherwise asked to bring them. Sharing items should be educational in nature, related to the current theme and must be taken home the same day. This eliminates problems with loss, sharing, and breakage. YALE Preschool is not responsible for toys or personal belongings brought from home.

REST/NAP TIME

Mandated by state regulations, children who attend the YALE Preschool full day program will be given the opportunity to rest and/or nap. Napping mats will be provided; however, parents are required to supply a sheet and blanket for their child during rest time. Please take sheets/blankets home weekly to be cleaned. If student does not have a sheet or blanket, they will be provided at \$1.50 per day fee.

VIDEOS

Occasionally, we will show videos to your child as a part of our program. We only show "G" rated videos.

BEHAVIOR GUIDANCE PLAN

It is very important that a child's development be nurtured through caring, patience and understanding. However, while caring for your children, we may have to respond to inappropriate behavior at times.

Examples of inappropriate behaviors are:

- Developmentally atypical mistreatment of other children (such as repeated hitting, kicking or biting)
- Uncooperative, abusive behaviors (physical or verbal)
- Deliberate misuse of equipment, materials and destruction of property
- Continually leaving staff supervised areas

Staff shall provide each child with guidance that helps the child acquire positive self-concept and self-control. Behavior guidance used by staff will be constructive, positive, and suited to the age of the child at all times.

The following rules and standards apply:

1. To prevent inappropriate behavior from occurring the staff will:
 - Model appropriate behavior
 - Establish clear routines, boundaries, and rules
 - Arrange the classroom environment as needed
 - Use descriptive praise when appropriate behavior occurs

2. When inappropriate behavior occurs or is about to occur, staff will use:
 - Redirection – substitute a positive activity for a negative one
 - Distraction – change the focus of the activity or behavior
 - Active Listening - to determine the underlying cause of the behavior
 - Cool-Down Time – allows child time to regain control of their emotions
 - Oops Slip – if inappropriate behavior continues the child may receive an “Oops” slip

Children who endanger other children, staff, and/or self:

At YALE one of our primary goals is to provide a safe and nurturing environment for all of the children we serve. We recognize that one of our jobs is to help children learn appropriate ways to handle conflicts. We work on this as conflicts arise, helping children find satisfactory solutions. We understand that many preschoolers may use inappropriate behavior because they have not learned what is appropriate behavior yet. However, at times a child's behavior may endanger others. We want to ensure parents that we will address such behavior immediately following these guidelines:

1. A first incident will be reported to parent(s) by either Phone Call, Oops Slip, or Just So You Know Slip.

BEHAVIOR GUIDANCE PLAN CONTINUED

2. A second incident will result in a discipline notice requesting a meeting with the teacher, and/or Group Lead II to discuss the behavior and establish a behavior plan:

- If inappropriate behavior continues it will result in the parent(s) being called, and another meeting being set up with the teacher, and/or Group Lead II, and Coordinator/Director to continue the discussion to understand what might be causing the problem, and re-evaluate the behavior plan.

3. A third incident may result in suspension.

4. A fourth incident may result in a second suspension.

5. A fifth incident may result in termination from the program.

Please note: Incidents causing injury that requires first aid to other children, staff, and/or self may be cause for immediate suspension and/or termination.

YALE reserves the right to terminate any child's enrollment if any further incident occurs, or if we feel that any of the following conditions exists:

1. YALE cannot meet the child's needs,
2. The parents are not able to work with the school to find an acceptable solution.
3. The continuing behavior endangers the well being of other children, staff, and/or the child engaging in the behavior.

POLICIES

NON-DISCRIMINATION

Statement of Non-discrimination: The district has a policy of non-discrimination on the basis of sex. This policy applies to all children, in so far as participation in program and activities is concerned, with few exceptions such as contact sports. The lack of English speaking skills is not a barrier to admission to or participation in district programs. Reasonable accommodation is made for all children. In accordance with federal law, complaints alleging noncompliance with this policy should be directed to the Program Director. Appeals may be made to the District Assistant Superintendent of Educational Services.

SEXUAL HARASSMENT

State and federal laws require school districts to notify parents and guardians of minor pupils of parental rights. The following information requires that parent notification be made annually.

Sexual harassment means unwelcome sexual advances, request for sexual favors, and other verbal, visual, or physical conduct of a sexual nature by someone in an educational or work setting. If the behavior 1) has an effect on academic status or progress, 2) has a negative impact upon work or academic performance, 3) creates an intimidating, hostile, or offensive work or educational environment or, 4) is used as a basis for determining the availability of benefits, services, honors, programs, or activities. It is a violation of state law.

CHILD ABUSE/UNUSUAL INCIDENT REPORTING

Each staff member is obligated by law to report to the Department of Social Services any injury to any child which requires medical treatment and any suspected physical or psychological abuse of any child. They are also obligated to report any unusual incidents or absences which threaten the physical or emotional health or safety of any child. All such suspected abuse will be reported to Child Protective Services without notification to the parents.

STATE LICENSING

The YALE Preschool Program is licensed by the State of California and will comply with the regulations of the Community Care Licensing Division. The Community Care Licensing Division and the State Fire Marshall will conduct periodic inspections to ensure the program meets or exceeds the standards. Child Care Licensing Regulation 1596.852 authorizes any duly officer, employee, or agent of the department, upon presentation of proper identification, enter and inspect any place providing personal care, supervision, and services at any time, with or without advance notice. Additionally, the Department has the authority to interview children or staff without prior consent.

If you wish to inquire into our license:

The use of tobacco products is prohibited anywhere, anytime on district property, in district vehicles, and in district owned or leased buildings.

TERMINATION

Services may be terminated by the school district for cause. In such a case, a notice will be given to the parent stating the reason that services will be terminated. Causes for termination include, but are not limited to:

- Abuse of school hours (late pick-up)

HEALTH

HEALTH REQUIREMENTS

Healthy children learn better and your cooperation is essential. In order to assist in maintaining children's health, there are some requirements to be followed.

Immunizations - Your child's immunizations must be up-to-date before enrollment can be completed. Immunization requirements are as follows:

- **3 Polio**
- **4 DTaP**
- **3 Hep B**
- **1 MMR** - on or after the first birthday
- **1 HIB** - on or after the first birthday
- **1 Varicella**

Physician's Report - your child must have a completed physician's report on file within two weeks of enrollment.

All of the above requirements may be obtained free from a physician who is a CHDP (Child Health and Disability Prevention) provider. Ask your family physician if he/she is a provider or you may receive these free at the El Cajon Health Department. Call 441-6500 for further information.

HEALTH HABITS

Please help develop good health habits by:

- Sending your child to school with a healthy breakfast, when appropriate
- Sending your child clean and well-groomed
- Reminding your child to wash hands after toileting
- Having your child brush his/her teeth regularly
- Establishing good sleeping habits

TOILETING

All children admitted to the program must be **completely toilet trained**. This is defined as wearing underwear (pull-ups are not allowed), using the toilet independently, and not having accidents that occur more than half of the scheduled attendance per week. Consistent accidents may result in termination if it is determined that student is not fully toilet trained.

Please send a change of clothing to be stored for occasional accidents. If your child has borrowed clothing from the program, please return it cleaned as soon as possible.

HEALTH CONTINUED

SICK CHILDREN

If your child shows any sign of an oncoming illness, you would need to make alternate child care arrangements. This is for your child's well being and for that of the other children utilizing the program. A child must be free of a fever for 24 hours without the use of fever-reducing medications before returning to school. A child must also remain at home until free of diarrhea and vomiting for 24 hours. Current COVID-19 protocol procedures are subject to change, please refer to the YALE Coordinator for any updates or questions.

If your child has a fever or displays other symptoms of illness while at school, you will be notified to pick him/her up. Please do not bring your child back to school until he/she is free of the symptoms for 24 hours.

Our criteria for sending a child home:

- Green or yellow discharge from nose and eyes or any discharge from ears
- An episode of diarrhea
- Vomiting
- Temperature greater than 100 degrees
- Rashes which appear to be chicken pox, impetigo, or measles
- Excessive crying or complaints that your child's ears, tummy or other areas hurt
- Head lice, scabies or other suspicious symptoms

The teaching staff is responsible for ensuring that children with obvious symptoms of illness are not accepted into the classroom. Special attention will be paid to children who have been absent because of illness or who have been exposed to contagious or communicable diseases.

*****During COVID-19 please refer to our SAFE at School Reopening Plan [click here](#).**
Please note preschool/child care guidelines can differ from school-aged guidelines.

CALLING IN ABSENCES FOR SICK CHILD

When your child is absent, it is required that you contact your site or the YALE office at (619) 258-2363 to report the absence. You may also email your site directly.

MEDICATION AUTHORIZATION

While not legally required to administer medication, YALE Preschool recognizes that children may need to take prescribed medication during program hours, and cooperates in assisting with the administration of medication as ordered by a physician. (It is preferable however, to have the medication administered at home.) A safe place for storage of medication will be provided. The health and welfare of each child is primarily the responsibility of the parent or guardian. However, YALE Preschool has designated staff who are responsible for administering the medication. Designated staff may only administer medication to a child whose "Physician's Medication Authorization and Plan" form is filed with YALE Preschool with the parent/guardian and physician's written request for administration during YALE Preschool hours. It is the responsibility of the parent/guardian to notify YALE Preschool if there is a change of any medication orders for administration by YALE Preschool staff. Physician orders must be renewed at least annually and at such time as the medication regime is changed.

HEALTH CONTINUED

MEDICATION AUTHORIZATION CONTINUED...

Children are not permitted to carry prescribed or over-the-counter (OTC) medication. Medication includes all pills, injections, inhalers, eye and ear drops, cough medicine, cough drops, aspirin and any other medication.

Medication will only be administered when YALE Preschool receives:

1. A “Physician’s Medication Authorization and Plan” (PMAP) from the child’s physician (who must be licensed in California) detailing the method, amount and time schedules by which such medication is to be taken; and
2. A written statement from the student’s parent/guardian requesting that YALE Preschool assist the student as set forth in the physician’s statement.
3. SAFETY

PARKING AND TRAFFIC CONTROL

Parking and traffic control is a considerable safety concern; therefore, it is critical that all parents follow the parking requirements developed at each school site. These requirements are designed to keep children and adults safe as they arrive and depart from class daily. An adult must hold each child's hand at all times as they walk through the parking lot and around the school. It is illegal to leave a child unattended in a vehicle for any period of time or to park in a handicapped parking space without a handicapped placard.

INJURY REPORTS

If your child has a minor scrape or bump, we will send home a copy of our "Ouch Slip", a short description of what occurred, for your information. Treatment is limited to ice packs, washing with soap and water, or providing bandages. If you notice an injury and you did not receive a form, please inform the staff.

For all injuries to the head, the child will be observed closely and the parent notified. A special First Aid Follow Up Form will be filled out by the staff.

EMERGENCIES

If a medical emergency arises, the staff will first attempt to contact you. If you cannot be reached, the staff will contact the persons listed on the enrollment card and/or your physician. If the emergency requires immediate attention, staff will notify the appropriate medical emergency services to transport your child to the nearest hospital.

If a school-wide emergency/disaster should occur, staff will follow procedures outlined in the school site emergency/disaster plan.

PARENT INVOLVEMENT

FIRST DAYS

It is sometimes just as difficult for a parent to face the separation from the child on the first day of school as it may be for the child to separate from the parent. It is normal for a child to go through a period of adjustment during such a big change in his/her life. We try to prevent trauma by anticipating the many difficulties that may arise.

It is a normal part of a child's growth in learning to accept change and being away from home. If he/she cries when you are leaving, give your child a hug and kiss then say you will be back to get him/her and leave. Many times a child cries only for a few minutes after the parent leaves and then is ready to participate.

Occasionally a child is not ready to make the adjustment from home to school. When this happens we will notify you of our concerns and give your child a few weeks to try and adjust. If the child continues to display separation anxiety we will recommend that you either come to class with your child and gradually leave for short periods of time until your child adjusts or withdraw your child until a later date.

CONFERENCES

Parent/Teacher conferences are offered for all parents in the Fall and Spring each year. At these conferences, your child's learning development will be shared with you and you may discuss anything you wish concerning your child with the teachers. Additional conferences may be arranged as needed.

PARENT MEETINGS

You may be invited to attend informative Parent Education classes addressing a variety of topics. These parent meetings are intended to assist parents in understanding the program as well as a child's growth and development.

PARENT ADVISORY COMMITTEE

Out-of-School Time Programs have a Parent Advisory Committee, which includes ASES, Project SAFE and YALE. They meet to discuss various program components. All parents will be notified of meeting dates and times, and are encouraged to attend. Our goal is to have a parent representative from each of our YALE sites. If you are interested in serving on this committee, please let your child's teacher know. Your involvement is welcomed and appreciated.

PARENT INVOLVEMENT CONTINUED

CLASSROOM VOLUNTEERS

Parent volunteers are an important part of the preschool program. Children benefit from working in small groups and your participation helps make small group activities more successful. Parent participation also provides parents an opportunity to share their children's school experiences and see how they are learning and developing new skills. Plan to sign-up as often as you are available.

Volunteers are required to complete a Volunteer Application, Code of Conduct, and have a Megan's Law Background Check prior to volunteering. Volunteers also must have proof of the following immunization: MMR, DTaP, and current year flu shot (can submit a letter opting out of the flu shot).

*****During COVID-19 please refer to our SAFE at School Reopening Plan [click here](#).**

HOME-SCHOOL COMMUNICATIONS

Typically, there is a child file folder provided for each child at the site. This will vary due to current COVID-19 protocols but each site will be arrangements to distribute communication/school work to parents. If applicable, it is your responsibility to check your child's folder daily for important information relating to their progress, future activities, YALE Preschool meetings, etc.

Parents should make every effort to know all the facts affecting their child's preschool experience. Ask questions, make appointments to meet with staff, read all the information sent home, and be aware of all the policies and procedures involved and how they affect you and your child.
