## Out-of-School Time Programs

July 22, 2022

Dear Families,

We are excited for our 2022-23 school year! First Day of School and ASES PRIDE will begin August 24<sup>th</sup>, 2022.

Registration will open on **Wednesday, July 20, 2022, at 12:00PM**. To enroll your child/children, please click [here](#). To view the types of childcare options offered at our school sites, please click [here](#).

During the registration process you will be asked to agree to follow several specific guidelines to support our current and future health orders, alongside ASES PRIDE agreement forms.

Enrollment in ASES is on a year-to-year basis for both school year and summer. Every participant interested in utilizing the ASES program must re-apply every school year and summer to be considered for enrollment. **Submitting an application during the registration period does NOT guarantee enrollment.** Far more students will apply for the program than the allocated spots available. Once the program reaches capacity, a waiting list is established.

The ASES program honors a "packaged-deal" system. We would ensure all siblings within an immediate family are admitted into ASES on the same start date, if every participant registered for the ASES program during the initial registration period of **July 20, 2022, at 12:00PM – July 26, 2022, at 12:00PM for the ASES PRIDE Before and After School Program.**

The ASES program is opened to entering Transitional kindergarten through eighth grade students who are enrolled at PRIDE Academy at Prospect Avenue School. Priority points will be given to all applicants that register for the ASES program during the initial registration period. To learn more, please click [here](#).

We will begin accepting and enrolling students on **Friday, July 29, 2022**. You will receive an email confirmation stating that your child/children have been enrolled. If you do not receive an email confirmation by Friday, August 8, 2022, you may contact the OSTP office to see where your child remains on the waitlist.

Out-of-School Time Programs also offers childcare services to students ages 3-5, with our YALE Preschool Program. Enrollment is currently open for this program. To view the types of childcare options offered through YALE Preschool, please click [here](#). To enroll your child/children in YALE Preschool, please click [here](#).

Should you have any questions, please feel free to call the Out-of-School Time Programs Office at 619-258-2369 or at [OSTP.Accounting@santeesd.net](mailto:OSTP.Accounting@santeesd.net).

Sincerely,  
Chrishaun Green  
Director of Out-of-School Time Programs
