

What is EAK? EAK is a state funded Early Admission to Kindergarten program designed for children who will be 5 years old by May 31, 2023

Who can attend? Children must be five years old on or before May 31, 2023 to be eligible for EAK. Space is limited, however, we will do our best to accommodate all Santee School District residents who enroll on-line with completed applications by December 1, 2022. Applicants from other districts are welcome to apply and will be placed if space is available. Participation in the program is voluntary and is not designed to take the place of kindergarten.

How to enroll: On-line registration will begin on **October 17, 2022**
Click the link below for more information.

[EAK Registration](#)

IMPORTANT: Registration is online only. You will have the opportunity to upload the following required documents for your child. If you need assistance with uploading your documents, help is available at the Educational Resource Center located at 9619 Cuyamaca St. (next to Rio Seco). Our office is open from 8:00 a.m. to 3:00 p.m. for registration assistance.

- ✓ Birth certificate
- ✓ Immunization record
- ✓ Two proofs of residency

All requirements must be met to complete registration. Students will not be placed at a school site until registration is complete.

There is no after-school care available for the EAK program.

Transportation **will not** be provided for the EAK program.

For further information, please call Aemily Scott 258-2358.
