

CONSULTANT SERVICES

It is the policy of the Board of Education to create a list of consultants interested in providing services to the District. The creation of such a list is to provide the District with possible short-term support for a variety of purposes and projects requiring specialized, administrative and/or confidential skills. Approval of such consultant services shall be based upon the best interests of the District as determined by the Superintendent and at the discretion of the District. Upon approval, a written consultant agreement between the consultant and the District shall be prepared outlining the proposed service, duties, and location(s).

Salary

Salary for the consultant is to be an agreed upon amount set at the time of the consultant agreement. Daily rate guidelines will be established in accordance with Administrative Regulation 4355.4.
